

- | | | |
|--------------------------------------|---|--|
| 1. Control valve operating link | 24. Filler plug gasket | 44. Pressure regulator valve bushing front seal ring |
| 2. Connecting rod pin | 25. Control valve operating lever stop | 45. Pressure regulator valve bushing |
| 3. Control valve operating link pin | 26. Control valve operating lever stop lock | 46. Pressure regulator valve bushing rear seal ring |
| 4. Control valve pin | 27. Pipe plug | 47. Pressure regulator valve piston |
| 5. Control valve operating lever | 28. Relief valve screen | 48. Pressure regulator valve piston seal ring |
| 6. Control valve operating lever pin | 29. Relief valve | 49. Check valve spring |
| 7. Control rod adjustable yoke | 30. Cylinder block cover gasket | 50. Check valve |
| 8. Piston sleeve boot | 31. Cylinder block cover | 51. Check valve bushing inner seal ring |
| 9. Connecting rod bushing | 32. Orifice plug w/screen | 52. Check valve inner bushing |
| 10. Connecting rod | 33. Cylinder block oil strainer | 53. Check valve actuator seal ring |
| 11. Connecting rod yoke | 34. Safety valve bushing tension spring | 54. Check actuator valve |
| 12. Connecting rod yoke seal ring | 35. Safety valve inner bushing seal ring | 55. Check valve bushing outer seal ring (small) |
| 13. Piston sleeve seal rings | 36. Safety valve inner bushing | 56. Check valve bushing outer seal ring (large) |
| 14. Piston | 37. Safety valve outer bushing | 57. Check valve outer bushing |
| 15. Piston head seal ring | 38. Safety valve piston | 58. Cylinder head gasket |
| 16. Connecting rod yoke nut | 39. Safety valve sleeve | 59. Cylinder head |
| 17. Connecting rod yoke pin | 40. Safety valve spring | |
| 18. Cylinder block assembly | 41. Pressure regulator check valve spring | |
| 19. Set screw | 42. Pressure regulator check valve | |
| 20. Control valve seal ring | 43. Pressure regulator valve tension spring | |
| 21. Control valve | | |
| 22. Control valve boot | | |
| 23. Filler plug | | |

Legend applies to Touch-Control assembly with cylinder block casting number 360 719 R1.
